

# Sabinal SHAC meeting

## Agenda

March 17, 2025

### 1. 3 goals for the year:

- a. Re-implement having students wipe down desks at the end of each class at the secondary level. At elementary, have students wipe down the desk before changing classes for 3rd-6th grade. PK-2nd to wipe down the desk after lunch to prevent the spread of illness and help curve absenteeism. **Voted as a goal. Wipes delivered to all classrooms and email sent to the district to inform staff.**
- b. Place trash cans in every stall of the bathrooms for cleanliness and hygienic purposes throughout all the district. **Voted as a goal. Trash cans being delivered to bathrooms and email sent to the district.**
- c. Renovation of the bathrooms next to the multipurpose room at elementary school to help boost pride in school and cleanliness. **Not voted on as a goal, but Dr. Camacho stated this could be something that Mr. Lopez and staff may complete over the summer.**
- d. Purchase filters for the air purifiers at the elementary school to curve illness and absenteeism. **Voted as a goal. Obtained quote and PO sent to central office. Email sent to district.**

2. May 7th is Fentanyl awareness day. Propose having a half day event in the event center: Have a guest speaker to speak with the students in 6-12th grade. DEA Agent Armando Talamantez. Include Fatal vision, CPR instruction, Stop the Bleed instruction. This is a work in progress to make sure all agencies can come together on this date and also make sure this date doesn't conflict with school activities. **Agreed to have this event. Working to secure all agencies. Location: Event center.**

### 3. School survey
